To ensure that as many Shareholders as possible have the opportunity to speak, Shareholders are requested to observe the following:

ITEM 1: FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires the Financial Report, the Directors' Report and the Auditor's Report to be received and considered by members of the Company at the Meeting. Each of these reports are contained in the Company's 2022 Annual Report.

Neither the Corporations Act nor the Company's Constitution requires Shareholders to vote on these reports. However, in the interests of proper corporate governance, Shareholders will be given a reasonable opportunity to ask questions about, or make comments on, those reports and the business and management of the Company.

Shareholders will also be given a reasonable opportunity to ask a representative of the Company's auditor, Grant Thornton, questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of financial statements or the independence of the auditor in relation to the conduct of the audit.

Shareholders may also submit a written question to Grant Thornton if the question is relevant to the content of the Auditor's Report for the financial year ended 30 June 2022 or the conduct of the audit of the Financial Report for that year. Relevant questions may be submitted to Sharon Papworth by emailing spapworth@btchealth.com.au. These questions must be received by the Company no later than **2:00pm (AEDT) on 27 November 2022**. At the meeting, Grant Thornton's representative will be given the opportunity to answer, or table written answers to, relevant questions.

ORDINARY RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

The Company's Remuneration Report for the financial year ended 30 June 2022 is set out on pages 6 to 9 of the Company's 2022 Annual Report, and forms part of the Directors' Report for that year.

The vote on this Resolution will be advisory only and will not bind the Directors or the Company.

If 25% or more of votes that are cast on Resolution 1 are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, at the second annual general meeting the Company will be required to put to Shareholders a resolution (**Spill Resolution**) proposing an extraordinary general meeting to consider the appointment of the Directors of the Company (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must hold the Spill Meeting within 90 days of the second annual general meeting at which all of the Company's Directors (other than the managing director at that time (if any)) will cease to hold office and may stand for re-election.

Voting Exclusion

Votes may not be cast, and the Company will disregard any votes cast, on Resolution 1:

- by or on behalf of any member of the KMP whose remuneration details are included in the Remuneration Report, or any Closely Related Parties of those persons, regardless of the capacity in which the votes are cast; or
- as a proxy by any person who is a member of the KMP as at the time the resolution is voted on at the Meeting or any Closely Related Parties of those persons,

unless the votes are cast as a proxy for a person who is entitled to vote on Resolution 1,

- in accordance with a direction in the proxy appointment;
- by the Chair in accordance with an express authorisation in the proxy appointment to cast the votes even if Resolution 1 is connected directly or indirectly with the remuneration of a KMP member.

The Chair intends to vote all undirected proxies in favour of Resolution 1.

ORDINARY RESOLUTION 2: ELECTION OF MS. FELICITY MCNEILL AS A DIRECTOR

ASX Listing Rule 14.4 requires that a director appointed by the board must not hold office (without re-election) past the next annual general meeting of the entity. Directors shall not continue in office for a period in excess of three

years or until the third annual general meeting following his/her appointment, whichever is the longer, without submitting themselves for re-election. Ms. McNeill was appointed by the board in accordance with Article 24.8 of the Constitution. She retires as a Director of the Company in accordance with Article 24.7 and 24.8 of the Constitution and being eligible, offers herself for re-election.

Felicity McNeill has extensive experience in the finance and health sectors, including 20 years working in the Federal government departments of finance, industry and health. Ms. McNeill is a private consultant with specialist expertise spanning strategic policy and regulatory reforms within the health sector. She is the co-founder and current Chair of Better Access Australia and has previously held the roles of President of Hepatitis Australia and CEO of the Organ and Tissue Authority. Ms. McNeill holds BA Hons (politics, public policy), is a member of the Australian Institute of Company Directors, Women on Boards and a member of the Consumers Health Forum of Australia.

The Chair intends to vote all undirected proxies in favour of Resolution 2.

ORDINARY RESOLUTION 3: ELECTION OF MR. BRENDAN YORK AS A DIRECTOR

ASX Listing Rule 14.4 requires that a director appointed by the board must not hold office (without re-election) past the next annual general meeting of the entity. Directors shall not continue in office for a period in excess of three years or until the third annual general meeting following his/her appointment, whichever is the longer, without submitting themselves for re-election. Mr. York was appointed by the board in accordance with Article 24.8 of the Constitution. He retires as a Director of the Company in accordance with Article 24.7 and 24.8 of the Constitution and being eligible, offers himself for re-election.

Brendan York is a portfolio manager with NAOS Asset Management Limited, which provides long-term concentrated exposure to Australian undervalued emerging Companies. Mr. York is also a non-executive director of Big River Industries Limited (ASX:BRI), BSA Limited (ASX:BSA) and Wingara AG Limited (ASX:WNR) where he contributes to the execution of incremental growth strategies and is on their respective Audit & Risk Committees. Mr. York holds BCom, BBA and is a member of Chartered Accountants Australia and New Zealand.

The Chair intends to vote all undirected proxies in favour of Resolution 3.

SPECIAL RESOLUTION 4: APPROVAL 10% PLACEMENT CAPACITY

ASX Listing Rule 7.1A provides that an “eligible entity” may seek shareholder approval, by special resolution passed at an annual general meeting, to allow it to issue equity securities up to 10% of its issued capital over a period up to 12 months after the annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the Company’s 15% placement capacity under ASX Listing Rule 7.1. This means that, if Resolution 4 is approved, the Company will be able to issue equity securities up to 10% of the Company’s fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the date of this Meeting, without subsequent Shareholder approval and without using the Company’s 15% annual placement capacity under ASX Listing Rule 7.1.

Resolution 4 is a special resolution which means at least 75% of votes cast by Shareholders entitled to vote must be in favour of Resolution 4.

ASX Listing Rule 7.1A

An entity will be an “eligible entity” and therefore able to seek approval under ASX Listing Rule 7.1A if:

- the entity is not included in the A&P/ASX 300 Index; and
- the entity has a maximum market capitalization (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million.

The Company is an “eligible entity” as it is not included in the A&P/ASX 300 Index and at the date of this Notice of Meeting has a current market capitalization of less than \$300m.

Any equity securities the Company issues under its 10% Placement Capacity must be in the same class as an existing class of quoted equity securities. As at the date of this Notice of Meeting, the Company has only one class of quoted equity securities, being fully paid ordinary shares with equal voting rights (ASX:BTC).

As at the date of this Notice of Meeting, the Company has 281,846,354 Shares on issue. The number of Shares that the Company may issue under ASX Listing Rule 7.1A will be calculated according to the following formula:

Formula for calculating 10% Placement Capacity

Where:

$$(A \times D) - E$$

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (a) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
 - (b) plus the number of partly paid shares that became fully paid in the 12 months;
 - (c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - (d) less the number of fully paid shares cancelled in the 12 months.
- Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of Shareholders under ASX Listing Rule 7.1 or 7.4.

Notice requirements for approval under ASX Listing Rule 7.1A

ASX Listing Rule 7.3A requires the following further information to be included in relation to Resolution 4:

a) Minimum Price

The minimum price at which the equity securities may be issued is 75% of the volume weighted average price of equity securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed; or
- (ii) if the equity securities are not issued within 10 ASX Trading Days of the date in paragraph (i) above, the date on which the equity securities are issued.

b) Date of Issue

The equity securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the time and date of the entity's next annual general meeting;
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) or such longer period if allowed by ASX (**10% Placement Capacity Period**).

Shareholder approval under ASX Listing Rule 7.1A does not lapse if the Company's market capitalization subsequently exceeds \$300 million or of it is included in the S&P/ASX 300 Index at some time during the 10% Placement Capacity Period provided that the Company meets those criteria on the date of this Meeting.

c) Risk of economic and voting dilution

Any issue of equity securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not

receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of equity securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

	\$ 0.0250 50% decrease in Issue Price	\$ 0.050 Issue Price	\$ 0.0750 50% increase in Issue Price
10% Voting Dilution	28,184,635	28,184,635	28,184,635
	Shares	Shares	Shares
Funds raised	\$ 704,616	\$ 1,409,232	\$ 2,113,848
10% Voting Dilution	42,276,953	42,276,953	42,276,953
	Shares	Shares	Shares
Funds raised	\$ 1,056,924	\$ 2,113,848	\$ 3,170,771
10% Voting Dilution	56,369,271	56,369,271	56,369,271
	Shares	Shares	Shares
Funds raised	\$ 1,409,232	\$ 2,818,464	\$ 4,227,695

This table shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 (and extracted above), on the basis of the current market price of Shares and the number of equity securities the Company will have on issue as at the date of the Meeting.

The table also shows:

- i. two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company will have on issue at the date of the Meeting. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price. The voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

The table above uses the following assumptions:

1. The current Shares on issue as at 11 October 2022.
2. The issue price set out above of \$0.05 is the closing price of the Shares on the ASX on 11 October 2022.
3. The Company issues the maximum possible number of equity securities under the 10% Placement Capacity.
4. No Options are exercised into Shares before the date of the issue of the equity securities;
5. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to by reason of placements under the 10% Placement Capacity. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

Shareholders should note that there is a risk that:

- i. the market price for the Company’s equity securities in that class may be significantly lower on the issue date than on the date of the Meeting; and
- ii. the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the date of issue or the equity securities are issued as part of the consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the equity securities.

Purpose of issue under 10% Placement Capacity

The Company may issue equity securities under the 10% Placement Capacity for the following purposes:

- i. as cash consideration, in which case the Company intends to use funds raised for expanding or accelerating the Company's existing business activities (including expenses associated with further development of the Company's existing assets), pursuing other acquisitions that have a strategic fit or will otherwise add value to shareholders (including expenses associated with such acquisitions) and general working capital; or
- ii. as non-cash consideration for acquisition of new assets, technology and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities.

d) Allocation under the 10% Placement Capacity

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the equity securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; and
- (v) advice from corporate, financial and broking advisers (if applicable).

The allottees of the equity securities to be issued under the 10% Placement Capacity have not yet been determined but may include current Shareholders or new investors (or both), none of whom will be closely related parties or associates of a closely related party of the Company.

If Shareholders do not elect to approve Resolution 4, the Company will be limited to issue securities using the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

e) Previous approval under ASX Listing Rule 7.1A

The Company has previously obtained Shareholder approval under ASX Listing Rule 7.1A at its extraordinary general meeting held on 31 January 2022, however did not issue equity securities under the 10% Placement Capacity.

The Chair intends to vote all undirected proxies in favour of Resolution 4.
