### Commentary

The above table reflects the current fair market valuation based on all information known as at month end.

### Valuations

The above table provides investors with two valuation approaches for BioTech Capital Ltd ("BTC"). The "Board Valuation" column is based upon the investment policy of the Board and is broadly in line with industry standard practices. The "Market Valuation" approach removes any discounts applied to the listed securities contained within the portfolio and is provided purely for information purposes in an attempt to provide as much visibility to investors on the true underlying value of the portfolio as possible.
