HALF-YEAR FINANCIAL REPORT

DIRECTORS' REPORT

Your directors submit the financial report of the company for the half-year ended 31 December 2013.

Directors

Alastair John Davidson
Harry Karelis
Edward Taylor

Review of Operations

The following is a review of operations for the six-month period to 31 December 2013:

The loss of \$1,820,936 (2012: \$437,136) included an impairment loss on unlisted investments of \$1,737,966 (2012: \$379,053). The Company maintained its one remaining investment in Sensear Pty Ltd.

Auditor's Declaration of Independence

A copy of the auditor's declaration under section 307C in relation to the half year is attached.

This report is signed in accordance with a resolution of the Board of Directors made pursuant to s.306(3) of the Corporations Act 2001.

**E Taylor
Director**

Dated this 20th day of February 2014

20 February 2014

The Board of Directors
BioTech Capital Limited
1 Edmondson Crescent
KARRINYUP WA 6018

Dear Board Members

BioTech Capital Limited

In accordance with section 307C of the *Corporations Act 2001*, I am pleased to provide the following declaration of independence to the directors of BioTech Capital Limited.

As lead audit partner for the review of the half-year financial statements of BioTech Capital Limited for the period ended 31 December 2013, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours sincerely

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2013

Note 1: Significant Accounting Policies

Basis of Preparation

The financial report of BioTech Capital Limited for the half-year ended 31 December 2013 was authorised for issue in accordance with a resolution of the directors on 20 February 2014. BioTech Capital Limited is a company incorporated in Australia and limited by shares which are publicly traded on the Australian Securities Exchange.

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the entity as the full financial report.

The half-year financial report is a general purpose financial report prepared in accordance with the requirements of the *Corporations Act 2001* and Accounting Standards AASB 134: Interim Financial Reporting. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 Interim Financial Reporting.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2013 and any publications made by BioTech Capital Limited during the half-year in accordance with continuous disclosure requirements arising under the *Corporations Act 2001*.

The accounting policies have been consistently applied and are consistent with those applied in the 30 June 2013 annual report, except for the adoption of amending standards mandatory for annual periods beginning on or after 1 July 2013, as noted below.

The half-year financial report has been prepared on a historical cost basis, except for financial assets that have been measured at fair value.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

New or Revised Standards and Interpretations that are effective in the current reporting period

In the half-year ended 31 December 2013, the Company has reviewed all of the new and revised standards and interpretations issued by the AASB that are relevant to its operations and effective for annual reporting periods beginning on or after 1 July 2013. The company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to their operations and are effective for the current financial reporting period. It has been determined by the Company that there is no impact, material or otherwise, of the new and revised standards and interpretations on its business and, therefore no change is necessary to the Company's accounting policies.

BIOTECH CAPITAL LIMITED ABN 45 091 979 172

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2013

New and revised Standards and amendments thereof and Interpretations effective for the current half-year that are relevant to the Company include:

AASB 13 "Fair Value Measurement" and AASB 2011-8 "Amendments to Australian Accounting Standards arising from AASB 13".

Impact of the application of AASB13

The Company has applied AASB 13 for the first time in the current year. AASB 13 establishes a single source of guidance for fair value measurements and disclosures about fair value measurements. The scope of AASB 13 is broad; the fair value measurement requirements of AASB 13 apply to both financial instrument items and non-financial instrument items for which other AASBs require or permit fair value measurements and disclosures about fair value measurements, except for share-based payment transactions that are within the scope of AASB 2 'Share-based Payment', leasing transactions that are within the scope of AASB 117 'Leases', and measurements that have some similarities to fair value but are not fair value (e.g. net realisable value for the purposes of measuring inventories or value in use for impairment assessment purposes).

AASB 13 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions. Fair value under AASB 13 is an exit price regardless of whether that price is directly observable or estimated using another valuation technique. Also, AASB 13 includes extensive disclosure requirements.

AASB 13 requires prospective application from 1 January 2013. In addition, specific transitional provisions were given to entities such that they need not apply the disclosure requirements set out in the Standard in comparative information provided for periods before the initial application of the Standard. In accordance with these transitional provisions, the Company has not made any new disclosures required by AASB 13 for the 2012 comparative period, the application of AASB 13 has not had any material impact on the amounts recognised in the financial statements.

Accounting Standards and Interpretations issued but not yet effective

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet effective, have not been adopted by the consolidated entity for the half year ending 31 December 2013. Management are in the process of assessing the impact of the adoption of these standards and interpretations on the entity.

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF YEAR
ENDED 31 DECEMBER 2013

Note 3: Financial Assets (continued)

On 12 August 2010, the Company announced it was adopting a change in investment strategy and restructuring. It is currently the Board's intention to liquidate the current portfolio in an orderly manner with proceeds being returned to shareholders through dividends. Only one investment remains being Sensear Pty Ltd. The Board acknowledges, due to the nature and liquidity of unlisted investments, that realisation of this investment may take longer than 12 months.

Unlisted shares

The fair value of unlisted available for sale investments are determined by directors valuations, which is based on their experience in the industry and the average realisable value in the short term based on their change in investment strategy. The directors have used assumptions, such as impacts on estimated cash flows, project updates and other market data available in determining their valuation of unlisted investments.

Impairment Loss on Unlisted Investments

An allowance for impairment loss is recognised when there is objective evidence that unlisted investments are impaired. Based on the best estimate of information available, the Board decided to record an impairment loss of \$1,737,966 (31 December 2012: \$379,053) for the period.

Other Comprehensive Income

Included in movements in other comprehensive income are net fair value losses on available for sale financial assets of \$Nil (31 December 2012 \$222,223) relating to unlisted investments.

BIOTECH CAPITAL LIMITED ABN 45 091 979 172

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF YEAR
ENDED 31 DECEMBER 2013

Note 4: Contingent Liabilities

There has been no material change in contingent liabilities since the last annual reporting date.

Note 5: Subsequent Events

No matters have arisen between the end of the half-year ended 31 December 2013 and the date of this report, in the opinion of the directors of the company, that will affect significantly the operations of the entity, the results of those operations, or the state of the affairs of the entity, in subsequent financial years.

Note 6: Operating Segments Information

Operating segments have been identified on the basis of internal reports of the company that are regularly reviewed by the chief operating decision maker in order to allocate resources to the segments and to assess their performance. The chief operating decision maker has been identified as the Board of Directors. On a regular basis, the board receives financial information on a company basis similar to the financial statements presented in the financial report, to manage and allocate their resources.

Note 7: Financial Instruments

7.1 Fair value of the Company's financial assets and financial liabilities that are measured at fair value on a recurring basis

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular, the valuation techniques and inputs used).

Financial assets/ financial liabilities	Fair value as at	Fair value as at	Fair value hierarchy	Valuation techniques and key inputs	Significant unobservable inputs	Relationship of unobservable inputs to fair value
	31/12/2013	31/12/2012				
Available for sale financial assets	Unlisted equity securities in Sensear Pty Ltd \$1,000,000	Unlisted equity securities in Sensear Pty Ltd \$2,737,966	Level 3	Board valuation as described in Note 3.	Discount for lack of marketability.	The higher the discount, the lower the fair value.

BIOTECH CAPITAL LIMITED ABN 45 091 979 172

**NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF YEAR
ENDED 31 DECEMBER 2013**

If the above unobservable inputs to the valuation model were 10% higher/lower while all the other variables were held constant, the carrying amount of the financial asset would decrease / increase by \$100,000 (31 December 2012: decrease / increase by \$273,797).

There were no transfers between levels in the period.

7.2 Reconciliation of Level 3 fair value measurements

31 December 2013	Available for sale unlisted shares
	\$
Opening balance	2,737,966
Total gains or losses:	
- in profit or loss	(1,737,966)

BIOTECH CAPITAL LIMITED ABN 45 091 979 172

DIRECTORS' DECLARATION

In the opinion of the directors:

1. The financial statements and notes of the entity, are in accordance with the Corporations Act 2001:
 - a) Comply with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001; and
 - b) give a true and fair view of the company's financial position as at 31 December 2013 and of its performance for the half-year ended on that date.
2. There are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

E Taylor
Director

Dated this 20th day of February 2014

Independent Auditor's Review Report to the Members of BioTech Capital Limited

We have reviewed the accompanying half-year financial report of BioTech Capital Limited, which comprises the condensed statement of financial position as at 31 December 2013, and the condensed statement of profit or loss and other comprehensive income, the condensed statement of cash flows and the condensed statement of changes in equity for the half-year ended on that date, selected explanatory notes and, the directors' declaration as set out on pages 6 to 16.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2013 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of BioTech Capital Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of BioTech Capital Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Basis for Qualified Conclusion

As disclosed in Note 3 to the half-year financial report, the company has within available for sale financial assets, an investment in an unlisted company at directors' valuation of \$1,000,000 as at 31 December 2013 (30 June 2013: \$2,737,966) ("the asset"). Further, included in the statement of profit or loss and other comprehensive income are impairment losses of \$1,737,966 (31 December 2012: \$379,053) and in other comprehensive income are net fair value losses of Nil (31 December 2012: losses of \$188,890) relating to the asset. As set out in Note 3, the directors have valued the asset based on their experience in the industry and the average realisable value in the short term based on their change in investment strategy. Australian Accounting Standard AASB 139 "*Financial Instruments: Recognition and Measurement*" requires financial assets classified as available for sale financial assets to be recognised and measured at their fair values, with subsequent changes in fair values to be recognised in other comprehensive income, except for impairment losses. We have been unable to obtain sufficient appropriate evidence of the fair value of the asset and, accordingly, we have been unable to determine whether the fair values at those dates and changes in fair values and impairment losses have been appropriately recognised.

Qualified Conclusion

Based on our review, which is not an audit, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph, we have not become aware of any matter that makes us believe that the half-year financial report of BioTech Capital Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 December 2013 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
